Centralia Man Arrested for Possession of Child Pornography

On Wednesday, May 14, 2008, detectives from the Washington State Patrol Missing Exploited Children Task Force (MECTF), along with detectives from the Centralia Police Department served a search warrant on the residence of Brent Bouck.

Bouck was taken into custody and booked on one charge of investigation of possession of images of minors engaged in sexually explicit conduct.

During the service of the search warrant a computer and computer related media was taken as evidence.

On April 4, 2008, MECTF received a report from the National Center for Missing and Exploited Children (NCMEC) CyberTipline. The tip indicated a photo sharing account which contained images of children engaged in sexually explicit conduct. MECTF was able to trace the account to an e-mail address registered to Bouck.

The arrest and booking was with out incident.
